RE: Request to open Washington County 2011 one year Prioritized List

Dear Mr. Zabriskie,

Santa Clara City is requesting that the Utah Permanent Community Impact Fund Board Washington County 2011 one year prioritized list be opened for the consideration of inclusion of an additional project, the Santa Clara Heights Water Improvements Project, for which Santa Clara City is seeking funding in 2011.

The project has an estimated overall cost of \$6,000,000. Santa Clara City anticipates requesting up to \$3,000,000 from the PCIFB to fund this project. Santa Clara City plans to participate approximately \$50,000 and the remainder of the project will likely be funded by the Utah Division of Drinking Water.

Santa Clara City would anticipate submitting a PCIFB application before the June 2011 PCIFB deadline for the Santa Clara Heights Water Improvements Project should the one year prioritized list be amended to accommodate such a request.

If you have any questions or concerns, please feel free to call me at (435) 673-6712.

Sincerely,

A handwritten signature in blue ink, appearing to read "Wally Ritchie", is written over a circular blue stamp.
